Letter from the General Manager

2024 has been a year of extraordinary trials for communities worldwide, but it has also been a year defined by hope, resilience, and the boundless compassion of people like you. As we reflect on the year that has passed, I am humbled by the remarkable impact we were able to achieve together, Alhamdulillah.

Through your unwavering generosity, we have brought critical aid to some of the most vulnerable communities in the world. Over **17 million people** received life-saving support in 2024, *Subhan'Allah* – a testament to the power of unity and shared purpose.

In Gaza, Yemen, and beyond, where the scale of suffering is almost unimaginable, our teams on the ground have worked tirelessly to deliver food, medical assistance, and essential supplies, even in the most challenging circumstances. **These efforts were made possible because of your trust, your prayers, and your support.**

2024 also marked a significant milestone for us here in Ireland, with the launch of our domestic programmes. Recognising that need exists not only overseas but within our own communities, we introduced initiatives like our weekly food distributions at the GPO, a mobile food bank in Clongriffin, and regular food deliveries to vulnerable households. These programmes, delivered in partnership with local organisations and restaurants,

have already touched the lives of many, offering not just sustenance but dignity and hope to those in need.

But relief alone is not enough. The challenges we face today – from ongoing conflicts and displacement to the ever-growing impacts of climate change – demand long-term solutions. **In 2024, we took significant steps to implement sustainable programs aimed at breaking the cycle of poverty and empowering communities to thrive.** Your support has been instrumental in making these initiatives possible, and for that, I am deeply grateful.

As we look ahead, we remain steadfast in our mission to serve humanity with compassion, integrity, and sincerity. Islamic Relief entered its 40th year in 2024, and while the world has changed dramatically since our inception, our commitment to alleviating suffering and transforming lives has only grown stronger.

Thank you for standing with us, for trusting us, and for being a beacon of hope for so many. May Allah (SWT) continue to bless your efforts, accept your generosity, and allow us to achieve even greater impact together in the years to come. *Ameen.*

Yasser Yehiah
General Manager
Islamic Relief, Ireland

Your Impact at a Glance

Thanks to you, we supported over **17 million** rightsholders across **34 countries** in 2024

Our emergency responses reached over **4 million** rightsholders in 2024

Water, Sanitation and Hygiene
510,000+
rightsholders through 47 projects

Food Security and Livelihoods
5.4 million+
rightsholders reached through 167 projects

Health
4.8 million+
rightsholders through 58 projects

Education
100,000+
rightsholders reached through 45 projects

Your trust in us
makes true and lasting
change possible!

Palestine Emergency Response

The Palestinian Gaza Strip is in the grip of a catastrophic humanitarian crisis – a crisis that the people of Gaza have tragically endured for over one year.

At the time of writing this report, Israel's ongoing ariel and ground bombardment of civilian infrastructure has taken the lives of more than 43,000 people in Gaza and wounded over 100,000. Your donations to our Palestine Emergency Appeal were a lifeline for hundreds of thousands of people each day across Gaza in 2024 - without you, many more people will have endured even further suffering.

Since 7th October 2023, together with our partners on the ground and the UN World Food Programme (WFP), your donations have helped to get crucial supplies into the Gaza Strip, and provide **over 54 million hot meals**, as well as food parcels, fresh vegetables and nutritional supplements to help prevent malnutrition.

You Have Helped to Provide:

 **54 million+**
hot meals

 **152,000+**
families with
ready-to-eat meals

 **55,000+**
food parcels

 **4,200+**
families with food
vouchers

 **260,000+**
fresh vegetable packs

 **230,000+**
nutritional
supplements

The average size of a household in Gaza is six people*

Medical Care in Gaza

Since 7th October 2023, your donations have provided a staggering **2.3 million medical items** to medical professionals across Gaza, including **111 different types of medicine** - despite serious challenges posed by Israel's siege of the Gaza Strip.

As the crisis continues, we're transforming your donations into life-saving medical care. To support our objective to provide specialist surgical care for major trauma survivors in Gaza, we have secured spaces on medical aid convoys entering Gaza each month between December 2024 and February 2025, **Alhamdulillah**. Each medical team is deployed for one month and placed at target hospitals to conduct trauma surgeries and limb reconstructions.

Every single donation made to our emergency appeal has helped heal or save someone's precious life in Gaza. **Thank you.**

Water, Sanitation and Hygiene in Gaza

Through our emergency appeal, you helped to fund a constant supply of clean water to hundreds of thousands of people in the Gaza Strip in 2024 - helping to prevent the spread of disease caused by contaminated water sources across the region.

Your Impact in Numbers:

- Clean drinking water to **110,000+** rightsholders per day
- **59,000+** Kits, including blankets, mattresses, clothing and kitchen sets
- Hygiene and dignity kits to **63,000+** rightsholders
- Portable toilets to **70,000+** rightsholders

Psychosocial Support for Gaza's Children

The trauma caused to Gaza's young children by Israel's military actions cannot be understated. At Islamic Relief, we believe that psychosocial support is essential to the care of those caught in the crossfire of this devastating war. **Thanks to your generosity, our dedicated team on the ground has been able to support thousands of children** since the start of the conflict, offering psychosocial support sessions and recreational activities at shelter sites to over **97,000+ children, Alhamdulillah.**

Yemen Emergency Response

Yemen has endured one of the most increasingly complex humanitarian crises in the world since 2014. Over 17 million people, more than half of the country's population, are currently experiencing large-scale food insecurity and malnutrition. More than 9 million people's survival is entirely dependent on food assistance.

The impact of the devastation is hard to fathom, but you have remained steadfast in your support of the people of Yemen. Your generosity enabled Islamic Relief to support communities in 17 out of Yemen's 22 governorates in 2024, *Subhan'Allah*.

In the Alzuhra and Alluhey Districts of the Hodeida Governorate, you provided cash assistance and food vouchers to more than **124,000 people** - providing communities with the means to secure their basic needs with dignity, *Alhamdulillah*.

Crisis Watch

When disaster strikes, Islamic Relief is trusted to be one of the first aid agencies on the ground across the world – reaching communities that others cannot or will not. As one of the world's foremost relief agencies, we know how crucial it is to provide a rapid response during a crisis, and your donations to our emergency fund make it possible for us to be there for people when it matters most.

Lebanon Emergency

After more than a year of tensions, cross-border confrontations between Israel and Lebanon have culminated in violent escalations and a loss of life to more than 2,000 people. As the devastation continues, the death toll is expected to rise.

In 2024, your donations provided more than **13,900 food packs**, more than **2,200 hygiene kits**, over **1,300 blankets and mattresses** and more than **17,600 medical supplies**, *Alhamdulillah*.

Your Impact Across the World

Bangladesh Cyclone Remal

More extreme weather in 2024 struck vulnerable communities in Bangladesh, who are among those bearing the brunt of the climate crisis. In May 2024, Cyclone Remal impacted a staggering total of 4.6 million people across 19 districts.

Thanks to you, Islamic Relief was one of the first organisations to respond. With your help we provided vulnerable families with life-saving relief, despite the disaster impacting remote and hard-to-reach areas. Your donations enabled our teams to **provide cash-grants and hygiene kits to more than 1,700 vulnerable families, as well as essential food to 500 families.**

Philippines Heavy Rains

In July 2024, monsoon rains across the western Luzon and Mindanao islands triggered widespread flooding, submerging homes and infrastructure - impacting tens of thousands of families.

Your donations to our emergency fund mean that we can be there for vulnerable communities affected by climate-related natural disasters such as these. At the time of crisis, your donations helped us to **provide food packs and clean drinking water to more than 17,700 people** in the affected regions of Datu Montawal and Pikit.

Water, Sanitation & Hygiene and Livelihoods

Niger

In Ouallam, in the Tillabéri region of Niger, your donations throughout 2024 helped provide protection to those hit hardest by Niger's ongoing economic crisis. Women and girls are among the most vulnerable in a society struck by crisis, and as resources become increasingly limited, the measures taken to find clean water and adequate food put them at risk.

Livelihood Opportunities

In 2024, your generosity powered financial independence for 400 women and young people across eight villages in Niger! With your help, our teams established cooperatives across the eight villages, delivered knowledge and skills training in entrepreneurship, and offered essential loans to help rightsholders set up their own income generating activities. Your faith in our work is helping to create sustainable solutions to poverty, *Alhamdulillah*.

Clean Water for Communities

Safe access to clean drinking water and water for agriculture is key to livelihood opportunities in Niger. In 2024, you helped us to construct two water boreholes and solar-powered water systems accessible to four villages. These water systems provide irrigation for market gardening, which in turn bolsters food security, increases protection for women and girls, and prevents the spread of disease, *Subhan'Allah!*

Food Security

Essential Sustenance During Food Insecurity

Lebanon

Lebanon has been struck by a manifold crisis, and achieving food security for vulnerable people is one of the biggest challenges it faces.

Years of economic decline, political instability, disasters such as the 2020 Port of Beirut explosion, and the recent violent escalations across Lebanon has led to a sharp increase in poverty and displacement.

You provided 3,000 families in the area of Akkar with food vouchers in 2024 – enabling communities to purchase basic food items with dignity. In times of crisis, you have trusted Islamic Relief to be there for the people of Lebanon. *Thank you.*

Protection and Education

Rebuilding Schools and Building Brighter Futures

Iraq

In the conflict-affected governorates of Salah al-Din and Diyala in Iraq, more than 90% of school-age children currently don't have access to an education – making them more vulnerable to exploitation, abuse, child labour and early marriage.

Your commitment to creating brighter futures for children in 2024 means that **2,500 primary school children in Diyala, Iraq, now have access to the high-quality education** they deserve. Your donations also transformed water, sanitation and hygiene facilities in each school, improved learning environments with refurbishment and maintenance works, and also **provided psychosocial support through recreational activities across 10 schools** in the area, *Alhamdulillah.*

Health and Nutrition

A Vital Lifeline for Vulnerable Families

Ethiopia

Ethiopia is battling multiple crises, and children are among the most impacted. Years of conflict, natural disasters, disease outbreaks and climate-related hazards such as floods and droughts have left nearly 20 million people in need of humanitarian assistance – women and children comprise more than two-thirds of those in need.

In Doba District, in the regional state of Oromia, your donations strengthened health systems and are now supporting some of the most vulnerable in society.

In 2024, you provided more than **78,900 people - 33,600 of which are children under five - with access to quality healthcare** to help mitigate the effects of malnutrition, vector-borne and waterborne diseases. With your support our teams have constructed one new referral health post, two sanitation facilities and are equipping 10 health facilities with essential medical supplies, as well as resources for mother-to-mother support groups. Because of you, **we have also been able to provide over 100 healthcare workers with essential training,** have rehabilitated three health facilities, one maternity waiting room and two latrines.

Climate Resilience

Building Resilience to Climate Change

📍 Pakistan

In the city of Peshawar and the district of Haveli in Pakistan, your donations are helping to provide communities with climate resilient projects that will help protect them against extreme weather events and conditions – including major flood events which have ultimately devastated the country in recent years.

Your generous donations have provided over 370,000 people with:

- Grants that will allow them to set up their own sustainable livelihoods.
- Funding for farmers to provide employment opportunities to locals.
- Financial support for local start-ups and cooperatives.
- Resources for climate change resilient and gender-inclusive initiatives.
- Support for think-tanks and media groups that are raising awareness of climate-crisis challenges.
- Learning hubs that share knowledge of sustainable livelihoods and climate change adaptation.

Refugees and Displaced People

Providing Urgent Medical Care to Communities

📍 Afghanistan

In 2023, Pakistan implemented measures for undocumented individuals in Pakistan that created an influx of Afghan returnees – an already displaced community at increased risk of gender-based violence, exploitation and deepening poverty.

Your donations allowed Islamic Relief teams to be among the first to support Afghan returnees, by providing multipurpose cash assistance to more than 11,400 people, including over 6,400 children.

Thanks to you, Islamic Relief is mobilising and equipping the communities affected the most by the climate crisis to help mitigate its impact – which will be felt by generations to come.

At Torkham Zero Point (the border of Afghanistan and Pakistan), **you also helped provide multipurpose cash assistance and essentials to over 11,600 people and supported the construction of 30 latrines and 10 water tanks, Subhan'Allah.** In Torkham Omari Camp in Nangarhar province, your donations also helped support the installation of latrines and water tanks to **provide for 200-300 people daily.**

The scale of your impact cannot be underestimated, **thank you.**

Orphan and Family Sponsorship

You have helped us in our mission to improve the lives and futures of orphan children for more than 38 years, *Subhan'Allah!* Each year, we're trusted by tens of thousands of orphans and their families to provide them with access to their most essential needs, and the tools to break free from the cycle of poverty. We understand the weight of this responsibility and our teams work diligently to ensure your donations reach as many orphans as possible with the utmost care.

In 2024 alone, **Islamic Relief** helped support more than **93,200 orphans and their families** with crucial access to food, medical care, a quality education and a chance for a brighter future through Islamic Relief's Orphan Sponsorship Programme, *Alhamdulillah.*

In a famous hadith, the Prophet Muhammad (peace and blessings be upon him) said:
"I and the caretaker of an orphan will be like this in Paradise", then he gestured with his index and middle fingers, slightly separating them.
Hadith | Bukhari

Your Support for Orphans in Gaza

Gaza is among the most dangerous places in the world to be a child right now. Your unwavering generosity enabled our teams to support over **15,300 orphans and their families through our Orphan Sponsorship Programme in 2024.** The programme allows sponsored orphans and their families to access urgent funds from Islamic Relief using ATM cards, enabling them to purchase what they need most with dignity. You can find out more about our Orphan Sponsorship Programme here: IRUK.CO/SPONSOR.

Your Eid Gift Donations

Worldwide

Eid al-Fitr

During Eid al-Fitr 2024, you generously donated Eid gifts to more than **60,000+ children** in communities struggling with poverty. We believe that bringing joy to those in need is an essential part of caring for our sisters and brothers – *thank you* for your compassion.

Your Eid Gifts Included:

- Cash Assistance
- Clothing
- School bags
- Educational materials
- Toys
- Cake
- Balloons

Eid al-Adha

Across 18 countries, your Eid al-Adha gifts reached more than **34,000 children, Alhamdulillah!**

The gifts you provide through your donations do more than mark a sacred day of celebration; your gifts represent the spirit of giving and togetherness for those who need it most.

May Allah (SWT) shower His mercy, pleasure, and acceptance upon all those supporting this precious cause, and reward them as befits His generosity - *Ameen.*

The Prophet Muhammad (peace and blessings be upon him) said,
"Give each other gifts and you will love each other".
Hadith | Muslim

Your Impact During Ramadan

During the holy month of Ramadan, you touched the lives of over 1.3 million people by providing life-saving food packs to those suffering from hunger in 29 countries, Subhan'Allah!

Our teams turned your vital donations into more than 172,000 nourishing food packs during the sacred month and safely delivered them to families in disaster zones and areas affected by the climate crisis, conflict, the rising cost of living and more.

Thank you for your outstanding generosity.

Did you know?

Your Ramadan food pack donations helped feed more than 32,000 orphan families, even in disaster zones such as Gaza and Sudan.

The Impact of Your Qurbani

Your Qurbani donations reached over 3 million people around the world, Subhan'Allah!

During Eid al-Adha 2024, your incredible generosity provided more than 3 million of our sisters and brothers in 27 countries with Qurbani meat thanks to your donations - Subhan'Allah! Our teams carried out over 192,900 Qurbanis across the world to help struggling families access meat; for many, this would have been the first time in a year they would have access to meat.

Your Quality Assured Qurbani not only supports local economies, but it also reaches families in disaster zones such as Gaza, who remain unable to freely access this staple food source.

None of this ground-breaking work would have been possible without the permission of Allah (SWT) and your continued generosity, thank you.

Did you know?

In some countries, Qurbani donations were delivered in frozen conditions because the process wasn't able to be carried out locally. Your Qurbani donations intended for people in Gaza were carried out in Egypt and stored at -18°C whilst in transit to keep the meat fresher for longer, before being delivered in besieged Gaza.

Thanks to your belief in us, Islamic Relief is able to overcome logistical challenges such as these and deliver on our promise to provide for those in need.

1. Food Security

Food security is a growing concern, affecting vulnerable individuals and families who struggle to access nutritious meals. Rising living costs, financial hardship, and social exclusion have left many in Ireland facing food insecurity, making it increasingly difficult for them to afford daily meals. At Islamic Relief Ireland, we are committed to tackling this challenge through practical and sustainable solutions.

A key part of our efforts is our partnership with the Tasnuva Shamim Foundation of Ireland, which enables us to provide vital food assistance through our GPO food distribution and mobile food bank initiatives. These projects ensure that those in need receive not just food, but also dignity, compassion, and support.

Providing Hot Meals at the Heart of Dublin

Every Friday evening, our dedicated team of volunteers gathers at the General Post Office (GPO) in Dublin, where we distribute hot, nutritious meals to those experiencing homelessness, financial difficulties, or food insecurity. The GPO, a central and accessible location, allows us to reach those who rely on this weekly food distribution for survival. On average, we provide 400 meals per week, ensuring that no one in need is left without support.

In addition to our GPO food distribution, our mobile food bank operates in Clongriffin, delivering essential food parcels to 25 struggling families each week. These parcels contain staple items that help families put meals on the table and reduce some of the pressures caused by financial hardship, unemployment, or other challenges affecting their ability to afford groceries.

Your Impact at Home

Ireland

Across Ireland, many communities struggle to access basic necessities like food, shelter, and financial stability. Islamic Relief Ireland is committed to addressing these challenges through our local projects, focusing on three key areas:

- 1. Food Security - Providing essential meals and support to those in need.**
- 2. Refugees & Asylum Seekers - Offering assistance, advocacy, and resources for displaced individuals.**
- 3. Community Integration - Strengthening social cohesion and empowering communities.**

To achieve this, we have partnered with *Amal Women's Association*, *Tasnuva Shamim Foundation of Ireland*, and many more organisations that have been on the ground for years, delivering groundbreaking initiatives to support vulnerable communities. Through these collaborations, we are expanding our reach and impact, ensuring that those most in need receive the help and dignity they deserve. Together, we continue to bring hope and positive change to people across the country.

Ensuring Safety and Quality in Our Food Distribution

Our food distribution efforts would not be possible without our dedicated volunteers, who give their time and energy to ensure the success of these projects. To uphold the highest standards of safety and hygiene, all our volunteers receive comprehensive training in food handling, hygiene, and safeguarding.

Additionally, every volunteer undergoes a vetting process to ensure the safety of all involved, particularly in community spaces where vulnerable individuals, including families with children, may be present.

Our commitment to proper training and background checks reflects our responsibility to provide not only food but also a safe, supportive, and respectful environment for those we serve.

Through our partnership with the Tasnuva Shamim Foundation of Ireland, we continue to make a meaningful difference, ensuring that those in need have access to food and support in times of hardship.

2. Refugees & Asylum Seekers

In the lead-up to Ramadan, Islamic Relief Ireland, in collaboration with Amal Women's Association, Dublin South City Partnership, and the Islamic Foundation of Ireland, came together once again to support Muslim refugees and asylum seekers across the country. Many of these individuals face difficulties accessing the essential foods required to sustain them through the month of fasting. Understanding their struggles, we worked to ensure they had the necessary provisions to observe Ramadan with dignity and ease.

With the help of dedicated volunteers, we packed and distributed food parcels filled with essential staples such as rice, flour, lentils, oil, dates, and other nutritious items to support [Suhoor](#)

The parcels were carefully curated to meet their cultural and dietary needs, ensuring they could observe their fasts without additional hardship. This effort provided much-needed relief to families and individuals who would otherwise struggle to access sufficient food during this important time.

This initiative, made possible through the collaboration of our partners and the generosity of our supporters, exemplified the true spirit of Ramadan—unity, generosity, and compassion. By coming together, we were able to extend a helping hand to some of the most vulnerable members of our community, reminding them that they are not alone. As we reflect on the success of this project, we remain committed to continuing these efforts in the years to come, ensuring that no one is left behind in their time of need.

3. Community Integration

As part of our community integration initiatives, Islamic Relief Ireland partnered with the Pakistan Overseas Community to organise a vibrant Multicultural Food Competition. This unique event brought together people from diverse backgrounds, celebrating the rich tapestry of cultures that make up our community. Through food—a universal language—we created a space for people to connect, share, and appreciate different traditions, fostering a spirit of unity and inclusion.

Participants showcased traditional dishes from various countries, reflecting the diversity of the local community. From Pakistani biryani and Middle Eastern kebabs to African stews and Irish specialties, the competition was a true culinary journey. Attendees not only enjoyed delicious meals but also learned about different cuisines, cooking techniques, and the cultural significance of various dishes, deepening their understanding and appreciation of one another's heritage.

This initiative went beyond food—it was about building bridges, breaking down barriers, and strengthening community bonds. By working with the Pakistan Overseas Community, we reinforced the importance of dialogue, respect, and shared experiences in creating a more inclusive society. The success of this event has inspired us to continue organising similar initiatives, using food and culture as powerful tools for community engagement and social harmony.

The Power of Community

For many, the world is becoming an increasingly challenging place.

Families, homes, communities and cities have been destroyed due to war and conflict, climate-crisis related or natural disasters, economic decline and more. The reality we're seeing unfold for our fellow sisters and brothers around the world is hard to bear – but you have remained steadfast in your efforts to support those in need.

Throughout 2024, you joined Islamic Relief tours and events across the UK in your thousands, to show your support for communities in need. True, long-lasting and positive impact is only created by harnessing the power of community.

Here's how you showed up to support people in need in 2024:

Pre-Ramadan Dinner

Our Pre-Ramadan Dinner brought the community together in a powerful show of solidarity for our brothers and sisters in Gaza. With Ustadh Adnan Rashid as our esteemed guest speaker, the evening was both inspiring and impactful. Through generous contributions and a successful auction, we **raised over €35,000** to support those in need, demonstrating the community's unwavering commitment to compassion and humanitarian aid. *Subhan'Allah!*

Sheikh Omar Suleiman

With over 1,000 attendees, the event featuring Sheikh Omar Suleiman was organised in partnership with our long-standing supporters. Together, we **raised over €100,000** to provide hot meals for our brothers and sisters in Gaza. *Alhamdulillah!* The overwhelming generosity and compassion displayed on the night highlighted the community's strong commitment to humanitarian aid and solidarity.

Ramadan Iftars

We hosted Ramadan iftars across the country, combining community gatherings with mosque collections and fundraising efforts in Galway, Cork, Waterford, Limerick, and Dublin. Through the generosity of our supporters, we **raised over €50,000** to support those in need. *Jazaakum Allahu Khairan!*

Mosques & Community Groups

Throughout the year, over 25 mosques and community groups across the country **contributed more than €135,000** towards our emergency appeals. *Ma Sha Allah!* Their continuous support reflects the deep trust they place in Islamic Relief to deliver aid where it is needed most. These generous contributions, collected over months of fundraising, demonstrate a steadfast commitment to standing with those facing hardship and ensuring vital assistance reaches the most vulnerable.

Schools Making A Difference

Several schools across Ireland raised funds for our Gaza Emergency Appeal, **contributing over €30,000** to support those in urgent need. *Subhan'Allah!* The generosity of both students and schools reflects their deep compassion and sense of responsibility towards those suffering in Gaza. Their willingness to step forward and support this cause demonstrates the strong values of empathy and solidarity within these school communities. This incredible support also highlights the trust placed in Islamic Relief to deliver aid effectively, ensuring that donations reach those who need them most.

Charity Week

Each year, incredible volunteers across the globe unite during the most important fundraising week of the year, for one precious cause – orphans and vulnerable children around the world. In 2024, over 165 institutions took part in Charity Week – a record-breaking number of institutions in Charity Week's 21-year history! As Charity Week continues to grow, over £2.5 million was raised globally. *Alhamdulillah!* In Ireland, the Charity Week team contributed to this success by **raising over €53,000**, further demonstrating the generosity and dedication of our supporters.

Local Businesses Support Our Gaza Emergency Appeal

Businesses across Dublin stepped up to support our Gaza Emergency Appeal, demonstrating the power of community-driven generosity. Network Café, Menspire Barbers, and several other local businesses contributed all proceeds from a day's trade to help those in urgent need. Their commitment highlights the compassion and social responsibility within the business community, showing that every effort - big or small - can make a meaningful impact. Islamic Relief is grateful for their support, which ensures vital aid reaches the most vulnerable in Gaza.

Other Partnerships

Throughout 2024, Islamic Relief was honoured to work with individuals and partners who are dedicated to transforming the lives of communities in need – their commitment has made incredible and long-lasting change happen for causes close to all our hearts.

LinkedIn Collaboration

Islamic Relief Ireland Partners with LinkedIn's Habibi ERG to Bring Eid Joy to Children

As part of LinkedIn's Microgrants Program, Islamic Relief Ireland had the pleasure of collaborating with LinkedIn's Habibi Employee Resource Group (ERG) for the Eid Gift Campaign 2024. This initiative aimed to bring joy to children in need by providing them with specially wrapped Eid gifts. Their commitment to giving back was evident as members of the group joined forces with Islamic Relief Ireland's team to prepare Eid gifts for distribution at Sandymount School for Special Needs - Enable Ireland and Children's Health Ireland at Temple Street.

Google Collaboration

Google Dublin and Islamic Relief Ireland Unite to Support Refugee Families During Ramadan

In a heartwarming display of unity and generosity, the Google Dublin team joined forces with Islamic Relief Ireland to prepare **100 essential Ramadan food parcels** for Muslim refugee families across the country. This initiative aimed to provide much-needed support during the holy month, ensuring that families facing hardship had access to vital food supplies.

This collaboration was more than just packing parcels—it was about nurturing bonds of compassion and community, reinforcing the values of generosity and solidarity that define Ramadan.

Saving lives since 1984
